

Professional Series – Professional Headworn Microphone Set

The Headmic Set comes with the the brand new Headmic dynamic headworn microphone, the Bodypack transmitter, stationary receiver and everything to use or install. The Headmic is very sleek, robust and weighs only 7g without the cable. All sets also come with rechargeable Lithium Ion batteries with up to 10 hrs of operating time. The pack is also USB rechargeable, the cable is in the box, the USB socket is presumably just a step away from you.

Key Features:-

Model Name	AS-2300HS
Transducer Principle	Dynamic
Channel	1 channel
Frequency Response	50Hz-18KHz
Frequency Range	640-690MHZ
S/N Ratio	<105dB
RF sensitivity	S/N>80dB
Power Voltage	DC 5V
Duration	8h
Connection	Wireless
TDH	typ. 0.1%
Equivalent Noise Level	27dB
Sampling Rate	24bit/48kHz
Nominal impedance	1 kOhm
Dimension (HxWxD)	3inch x 13.5inch x 13.2inch with box

**Features:**

- * User-Friendly Interface : Easy setup and operation with an intuitive display.
- * Rugged Construction : Durable design ensures reliability for professional use.
- * Stable Transmission : Advanced frequency-hopping minimizes interference.
- * Long Battery Life : Up to 8-10 hours of use on a single charge through C-PIN with 1200mAH Lithium Ion Batteries in HH, 750mAH in LL and 750mAH in HS. Charging cable included in box.
- * Excellent ability to resist phone interference.

Whats in the Box :-

- 1 x Headworn Microphone
- 1 x Receiver
- 1 x Quick Start Guide
- 1 x Charging Cable
